

**Important Projects Completed  
Up To March-2009**

SL.N	YEAR	GROUP/ COMPANY	PROJECT	ASERVICE CATEGORY
1	1985	KEC International Limited , Mumbai (Birla Group)	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigating.
2	1985	Birla Cement Corporation ,Panna	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
3	1985	Shree Cement Beawar	Limestone	Preliminary assessment of Lime stone deposit using geoelectric investigation.
4	1986	Hindustan Salts Ltd. , Nawa (Raj)( Govt. of India)	Brine water detection for making salt .	Brine detection by Geoelectric survey
5	1987	PHED & HSHB, Gurgaon (Govt. Haryana)	Ground water resources for long term	Ground water assessment and reserve estimates
6	1987	Birla Cement Chittorgarh	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
7	1987	Dimond Cement (Birla)Damooch	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
8	1987	Raymond Cement, Parsa	Lime stone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
9	1987	Hinduja Foundation , Bombay	Ground water detection & deep borewell construction	Ground water assessment & scientific water wells
10	1987	RSMDC Udaipur	Rock phosphates	Preliminary assessment of Rock phosphate deposit using geoelectric
11	1987	Godha & Company	Soap stone and china clay exploration	Mining deposit potentiality using geoelectric survey.
12	1987	Development Alternatives,, New Delhi, Hinduja	Ground Water	Locating fresh water aquifers in on otherwise saline water bearing area
13	1988	Bihar State Electricity Board Patna	Reconnaissance survey	Topographic and physiographic survey

14	1988	Birla Cement Works, Marwar Mundawa ,Nagour, Rajasthan.	Water Resources Investigation	Limestone estimates & reserves estimates using geoelectric survey.
15	1988	Development Alternatives Tara crescent ,New Delhi (Hinduja)	Sweet water resources detection	Delineation of Fresh Water pockets in an otherwise saline area
16	1988	Hinduja Foundation, Bombay	Sweet water resources detection	Delineation of Fresh Water pockets in an otherwise saline area
17	1988	North Eastern Cement Limited, Assam	Topo graphic and Ground water Survey	Ground Water Assessment
18	1988	Orissa Industries Ltd. Rourkela, Orissa	Graphite exploration	Preliminary assessment of Graphite exploration deposit using geoelectric investigation
19	1988	RSMDC Udaipur	Rock phosphates	Preliminary assessment of Rock phosphate deposit using geoelectric investigation.
20	1988	Arunoday Construction (P) Ltd. Assam	Ground water investigation	Ground water resources evaluation
21	1989	Delhi Cantonment Board, Delhi	Ground water investigation	Ground water resources evaluation
22	1989	UP Jal Nigam , Pratpgah, (Govt. of UP)	Ground water investigation for ground water & well construction	Ground water assessment & scientific water wells installation
23	1989	Rajasthan Breweries Ltd. Alwar	Topo graphic and Ground water Survey	Water Resources evaluation for long term.
24	1989	Shanti Mines, Dhanbad, Jharkhand	Exploration for Mica	Preliminary assessment of mica deposit using geoelectric survey
25	1990	DDA, Delhi (Govt . Of Delhi)	Construction of wells	Scientific water wells installation.
26	1990	Mnikgarh Cement , Maharashtra	Lime stone	Preliminary assessment of Limestone using Geoelectric investigation.
27	1991	Action through Cooperation technology , Jaipur	Construction of wells	Scientific water wells installation.

28	1991	Bhagwati Farm, Rajasthan	Ground water	Selection of feasible tubewell sites
29	1991	Bhoruka charitable Trust, Rajasthan	Tubewell	Construction of deep tubewells
30	1991	Deep tubewell Irrigation Project, Jaipur Rajasthan	Tubewell	Construction of deep tubewells
31	1991	Dimensional Marble Ltd., Alwar Rajasthan	Ground water investigation	Water resources evaluation and assessment of ground water reserves
32	1991	Dabur India Ltd.	survey for ground water	Ground water assessment
33	1991	Eicher Tractor Ltd. Alwar (Raj)	survey for ground water	Ground water assessment
34	1991	Hindustan Charity Trust, Jaipur, Rajasthan	Ground water investigation	Water resources evaluation and assessment of reserves
35	1991	Modern Suiting Alwar	Ground water investigation	Ground Water Reserves estimation
36	1991	Rathi Alloys & Steel Ltd., Alwar	Topo graphic survey and Ground water investigation	Installation of Scientific tubewells.
37	1991	Hindustan Charity Trust, Jaipur	Detection of Galta Water Source	R & D work of Galta Water Source
38	1991	Modi alkalies Ltd. Alwar , (Raj)	Ground water detection & deep borewell construction	Ground water assessment & scientific water wells installation.
39	1991	Oberoi Associated Hotels , Jaipur (Raj)	survey for ground water	Ground water assessment for long term
40	1991	Paras Drugs and Chemical Industries, Jaipur	Ground water & tubewell	Water resources evaluation & assessment of reserves and tubewell installation.
41	1991	Rajasthan Syntax Ltd., Jaipur	Ground water investigation	Water resources evaluation & assessment of reserves
42	1991	Samcor Glass Ltd Kota	Soil and ground water investigation	Load bearing capacity soil and water resources investigation in long term
43	1991	Sharma Salts (P) Ltd. Nawa, Rajasthan	Brine	Investigation for Brine for salt manufacturing
44	1991	Shri Ghanshyam Singhal, Jaipur	Ground water investigation	Ground water resources investigation for long term
45	1991	Tilam Sangh, Mustard Project, Jhunjhunu Rajasthan	Ground water investigation and tubewell	Drilling of scientific tubewells
46	1991	Vijay Solvex Ltd. Alwar Rajasthan	Ground water investigation	Water resources evaluation & assessment of reserves and tubewell installtion.
47	1991	M.B.Textile Ltd. Jaipur	Ground water investigation and tubewell	Water resources evaluation & assessment of reserves
48	1992	Rajshree Cement , Karnataka	Limestone	Preliminary assessment of Limestone deposit using Geoelectric investigation.
49	1992	Shiv Shakti Cements.	Tubewell construction	Installation of Scientific tubewells.

		Merta City, Rajasthan		
50	1992	St.Edmunds School, Rajasthan	Tubewell	Construction of tubewell
51	1992	Indus .Hotels, Delhi	Ground Water	Determination of potential area for ground water availability.
52	1993	DCM Silk mill , N. Delhi	survey for ground water	Ground water assessment for long term
53	1993	Indus Hotel Corp. Delhi (Obrai)	Ground water & Tubewells	Selection of feasible site for tubewell & construction of deep tubewell.
54	1993	Eicher Tractor Ltd. Rajasthan	Ground water investigation	Ground Water resources evaluation and assessment of reserves
55	1993	Indus Hotel Corporation, New Delhi	Ground water investigation & Tubewell	Construction of suitable deep tubewells based on investigation
56	1993	Jaipur Syntex Pvt.Ltd. Jaipur Rajasthan	Ground water investigation & Tubewell	Construction of suitable deep tubewells based on investigation
57	1993	Modi Alkalies & Chemicals Ltd.,Alwar Rajsthan	Ground water and Tubewell	Construction of suitable deep tubewells based on investigation
58	1993	Oberoi Associated Hotels Ltd.New Delhi	Ground Water	Detailed comprehensive ground water Resources evaluation studies.
59	1993	S.G.P.C. New Delhi	Ground water investigation	Detailed comprehensive ground water Resources evaluation studies.
60	1993	Udaipur Minerals Dev. Corp.	Ground water investigation & Tubewell	Construction of scientific tubewells after detailed ground water potentiality studies.
61	1993	Grapco Granite Ltd.,Jaipur Rajasthan	Ground water and Tubewell	Construction of suitable deep tubewells based on investigation
62	1993	Rouchees Breweries, Neemrana	Groundwater assessment	Ground Water Reserves estimate in long term
63	1993	Shriram Industrial Entp. New Delhi(Rajpura , Punjab)	Groundwater Assessment	Ground Water Reserves estimate in long term
64	1994	Basantrai Bottlers Ltd. Himachal Pradesh	Groundwater Assessment	Ground water potential studies for long term sustainment.
65	1994	Castle Douglas Industries Ltd. N. Delhi (Kedia group)	Ground water detection & deep borewell construction	Ground water assessment & scientific water wells constructions.
66	1994	Golden hill Breweries Ltd. Sawai madhopur, Rajasthan	Groundwater Assessment	Ground Water Reserves estimate for long term
67	1994	Pearl Polimers Ltd. Gurgaon	Groundwater Assessment	Ground Water Reserves estimate for long term
68	1994	Eicher Tractor Ltd. Rajasthan	Ground water investigation	Ground Water resources evaluation of assessment of reserves
69	1994	Indus Hotel Corporation, New Delhi	Ground water investigation & Tubewell	Construction of suitable deep tubewells based on investigation
70	1994	Jaipur Syntex Pvt.Ltd. Jaipur Rajasthan	Ground water investigation & Tubewell	Construction of suitable deep tubewells based on investigation
71	1994	Modi Alkalies & Chemicals Ltd.,Alwar Rajsthan	Ground water and Tubewell	Construction of suitable deep tubewells based on investigation

72	1994	Oberoi Associated Hotels Ltd.New Delhi	Ground Water	Detailed comprehensive ground water Resources evaluation studies.
73	1994	Saurashtra Chemicals Ltd. Porbander,Gujarat (Birla)	Groundwater Assessment	Ground Water Reserves estimate in long term
74	1994	Phoenix International Ltd.New Delhi	Limestone	Preliminary estimates for lime stone reserves near Narnol , Haryana
75	1994	Prerna Syntes Ltd. Alwar	Groundwater Assessment	Ground Water Reserves estimate in long term
76	1994	ROM Industries ,Jaipur, Rajasthan	Ground water and tubewell	Construction of deep tubewells based on scientific investigation
77	1994	Thapar Milk Products Alwar Rajasthan	Ground water and tubewell	Construction of deep tubewells based on scientific investigation
78	1994	Unique Malt Pvt.Ltd. Neemrana, Rajasthan	Ground water investigation	Construction of deep tubewells based on scientific investigation
79	1995	Andhra Pradesh Cement (L&T) Mumbai	Ground water and geomorphmetric studies of river.	Ground water resources estimation at plant area and river potentiality studies for long term water availability
80	1995	Autolite Industries Ltd.,Jaipur Rajasthan	Ground water in ultimate rock & layers.	Ground water survey for feasible tubewell sites.
81	1995	Bhagwati Udyog Nawa, Rajasthan	Brine Resources evaluation	Scientific investigation for brine for salt manufacturing .
82	1995	Gujarat Cements Projects (L & T Ltd.)Amreli,Gujarat	Topo graphic and Ground water assessment of Buffer and Core zone	Ground Water Resources study for MOEF clearance
83	1995	Gwalior Distilleries Ltd. (MP)	Construction of wells	Scientific water wells installation
84	1995	Maheshwari Public School, Jaipur Rajasthan	Tubewell	Deep tubewell construction in boulders.
85	1995	P.H.E.D. Jaipur Rajasthan	Soil and Tubewell	Soil resistivity survey for Bisalpur project and construction of tubewells at various locations in Rajasthan
86	1995	R.M.Mittal Steel (P) Ltd.,Dholpur, Rajathan	Ground water and Tubewell	Suitable investigation for water availability & construction of tubewells
87	1995	Rotary Club Jaipur	Ground water and Tubewell	Suitable investigation for water availability & construction of tubewells
88	1995	Shyam Filament, Jaipur, Rajasthan	Ground water	Scientific investigation for Ground water availability.
89	1995	Shree Fats & Protein Ltd.	Ground water and Tubewell	Detailed ground water assessment studies & construction of tubewell
90	1995	Vivek Pharmaceutical Jaipur, Rajasthan	Ground water and Tubewell	Detailed ground water assessment studies & construction of tubewell
91	1995	Gem Corporation of Orrisa Ltd.	Gem stone (Ruby)	Preliminary investigation and delineation of suitable soft rock
92	1995	Choki Dhani Developers, Jaipur	Ground Water	Detailed ground water availability investigation.
93	1995	Pyntes and Phasphate Company Ltd.	Tubewell	Detailed ground water availability investigation for deep tubewells and

				construction of the same.
94	1995	East India Hotels Ltd.,Kutch, Gujarat	Ground water	Water Resources Evaluation studies for long term.
95	1995	Obrai Associated Hotels Ltd.	Ground water	Water Resources Evaluation studies for long term.
96	1996	Aditya Cements Ltd. Birla, Shambupura, Chittorgarh	Ground Water Assessment	Reserve estimation for ground water.
97	1996	Shaw Wallace & Co. Ltd. (MNC)	Ground water detection	Ground water assessment and reserve estimation.
98	1996	Siel Project & Engineering Ltd.,New Delhi	Soil and ground water exploration	Soil Resistivity test, load bearing capacity & ground water reserves estimation
99	1996	Oberoi Associated hotels Ltd. Jaipur	Ground water and Tubewell	Detailed ground water resources evaluation & installation of battery of deep tubewells
100	1996	Modi Alkalis Ltd. Alwar	Ground water and Tubewell	Detailed ground water resources evaluation & installation of battery of deep tubewells
101	1996	Ratna Commercial Entp. Ltd.,Alwar	Ground water and Tubewell	Detailed ground water resources evaluation & installation of battery of deep tubewells
102	1997	Som Distilleries Ltd.Bhopal	Ground water & Tubewells	Ground water assessment and reserve estimation and installation of Scientific deep tubewell.
103	1997	Peeraj Power Generation Ltd., Hanumangarh, Rajasthan	Soil and Ground water	Detailed ground water resources evaluation & installation of battery of deep tubewells including soil load bearing studies.
104	1997	East India Hotels Ltd. ,Kutch Gujarat	Ground water and Tubewell	Water Resources evaluation for long term & construction of suitable tubewell.
105	1997	Ambuja Rajasthan cements at Marwar Mundwa ,	Remote sensing study & ground water reserve estimation for long term in core and buffer zone.	Ground water assessment for MOEF clearance .
106	1997	Dabur India Ltd.,Alwar Rajasthan	Ground water and Tubewell	Water Resources evaluation for long term & construction of suitable tubewell.
107	1997	Rajasthan Hospital Ltd.,Jaipur	Ground water and Tubewell	Water Resources evaluation for long term & construction of suitable tubewell.
108	1997	Nandan Green Farms Ltd., Jaipur Rajasthan	Ground water and Tubewell	Water Resources evaluation for long term & construction of suitable tubewell.
109	1997	PHED, Govt. of Rajasthan	Tubewell construction	Installation of Deep tubewells in various parts of Rajasthan.
110	1998	Morepen Hotels Ltd.,Arrosim,Goa	Ground water Assessment	Water Resources estimation for long term sustainment.

111	1998	Oberoi Mc Alpine Hotels Ltd. Udaipur, Rajasthan	Ground water and exploration	Detailed ground water resources estimation project, Aquifer Performance tests & construction of test wells.
112	1998	East India Hotels Ltd. Udaipur Rajasthan	Ground water	Water Resources evaluation project for long term.
113	1998	DLF Power Ltd. Barmer	Ground water	Water Resources potential studies for sweet water.
114	1998	Monet Ispat Ltd. , Raipur (MP)	Ground water resources evaluation	Ground water assessment for long term.
115		Heritage Resorts & Palaces Ltd Delwara, Rajasthan	Ground water and Tubewell	Ground water reserves estimation & construction of scientific tubewell
116	1998	DLF Power Plant , Barmer (Raj)	Ground water resources evolution	Ground water assessment for long term.
117	1999	Maratha Cement Ltd. , Chandrapur, Maharashtra	Ground water detection & reserves estimation for long term	Ground water assessment and long duration Aquifer Performance Test for dewatering of mines.
118	1999	GACL , Nadikudi, (AP) ( Ambuja group )	Ground water detection & reserves estimation for long term	Ground water assessment
119	1999	Sunset Resorts Ltd. Goa	Ground water and soil investigation	Ground water investigation for sweet water
120	1999	Montgomery Watson, Faridabad	Soil studies & ground water pollution studies	Soil profile studies & modeling for foundation & pollution in ground water.
121	1999	Heritage Resorts & Palaces Ltd Jaipur, Rajasthan	Ground water and tubewell construction	Estimates of ground water reserves & tubewell construction.
122	1999	East India Hotels Ltd. Obrai Group, Udaipur, Rajasthan	Ground water and tubewell construction	Estimates of ground water reserves & tubewell construction.
123	1999	KK Kohali & brothers Ltd. Faridabad	Ground water detection and deep tubewells	Ground water assessment
124	1999	Maratha Cements Ltd., Chandrapur, Nagpur	TW and APT	Design of battery of tubewells based on APT for dewatering of mines
125	1999	Whirlpool India Ltd. Faridabad	Monitoring wells	Installation of monitoring wells for ground water pollution studies.
126	2000	Oasis Distilleries & Breweries, Indore (M.P.)	Ground water and tubewell construction	Detailed ground water studies and installation of deep
127	2000	Morepen/ Sunset Resorts Ltd., Goa	Ground water detection	Ground water assessment

128	2000	Som Distilleries Ltd. Bhopal (MP)	Ground water detection & deep borewell construction	Ground water assessment & scientific high discharge water wells
129	2000	Karma Processors Ltd. Faridabad	Ground water detection & deep borewell construction	Installation of deep Scientific Tubewell.
130	2000	Hemla Textiles Ltd., Faridabad, Haryana	Tubewell construction	Construction of scientific tubewell by combination rigs.
131	2000	Creative Textiles Ltd., Faridabad	Tubewell construction	Construction of scientific tubewell by combination rigs.
132	2000	Vaibhav Cine Complex, Jaipur Rajasthan	Ground water and tubewell construction	Construction of scientific tubewell by combination rigs.
133	2000	Hotel Pramod Ltd., Jaipur, Raj.	Ground water	Ground water investigation for feasible tubewell
134	2000	Vivek Pharmaceutical Pvt. Ltd., Jaipur, Rajasthan	Ground water & Rainwater Harvesting studies & Dewatering of mines	Ground water recharge studies & Rainwater Harvesting System
135	2000	Maratha Cement Ltd., chandrapur ,Maharashtra	Ground water exploration,APT, Dewatering of mines & RWH	Ground water exploration APT, Dewatering of mines & RWH through Artificial Reservoir.
136	2000	Gujarat Ambuja Cements Ltd., Muldwarka	Conservation of sweet water	Conservation of sweet water aquifer & utilization of brakish waer afer treatment.
137	2001	Kalptaru Power Generation Ltd. Sriganganagar (Raj)	Ground water detection & reserves estimation & mathematical modeling	Ground water assessment & Mathematical modeling
138	2001	Jag Janani Textiles Ltd.	Ground water	Selection of feasible tubewell site
139	2001	Saraswati export Ltd. Jaipur	Ground water detection & hydrogeological survey	Ground water assessment
140	2001	DSCL Energy Systems Ltd., Faridabad	Ground water.	Detailed ground water resources estimation for long term and qualitative aspects
141	2002	World vision of India, Toda (Raj)	Ground water investigation & Deflouridation studies	Ground water assessment And pollution studies
142	2002	Kalptaru Energy venture Ltd., Raj.	Soil investigation for foundation studies	Soil investigation for load bearing capacity
143	2003	HZL, Rampura agucha mine, Bhilwara,(Raj)	Augmentation of radial collector well through infiltration galleries & design of sub surface	Assessment of intake water of river sub-surface flow & design of surface dyke.

			dyke	
144	2003	GACL , Lodhwa mine(GUJ)	Dewatering of the mine near sea shore area & mathematical modeling	Mathematical modeling & dewatering of the mining studies including 3D modeling
145	2003	Ansal Township, Bhilwara, Jodhpur & Bikaner (3 projects)	Ground water detection & reserves estimation	Ground water assessment
146	2003	GACL , Vadnagar (GUJ)	Mine pollutant studies in ground water	Source of ground water pollution
147	2003	Rotary Club Jaipur	Installation of scientific structure for rooftop rainwater harvesting & ground water recharge.	Ground Water Recharge project
148	2004	Vivek Pharmaceuticals Ltd.	Water recharging through rainwater harvesting studies	Roof top rain water harvesting studies.
149	2004	Sitson India Ltd. (Chambal Power )	Load bearing & foundation study	Soil investigation
150	2004	Shree Krishna Paper mill , Kothputali (Raj)	Geophysical investigation for ground water with Remote sensing study for ground water potential & long term water reserves estimation .	Evaluation of Burried channel of river through satellite imageries and evaluation of water reserves through Aquifer performance test .
151	2004	Rukmani birla Education. Inst., Jaipur	Rainwater harvesting Studies	Storm water management and roof top rain water harvesting studies.
152	2005	HINDALCO renukoot & Renusagar (UP) and lathehar , Jharkhand (3 projects)	Detailed Ground water reserve estimation & design of radial well using satellite imagery	Ground water & surface water assessment
153	2005	Baverly Park maintains services N. Delhi (DLF group)	Determination of the variation in litho-interfaces for foundation design .	Assessment of subsurface lithology for foundation design using geoelectric survey.
154	2005	Satyam Food Ltd.,Jaipur	Water shed & Ground water potentiality studies	Water shed management studies using remote sensing techniques
155	2005	Neepaz metalikes Ltd. ,Rourkella Orrissa	Ground water reserves estimation for long term & open area rainwater ,harvesting	Ground water assessment & rain water harvesting through design of artificial reservoir.
156	2005	Ambuja ragasthan Ltd. , Rabariabas , Beawar	Mine load pollution studies in ground water	Ground water pollution studies

157	2005	Vallabh Steels Ltd. Jamshedpur (Jharkhand)	Estimation of ground water reserves, proposed artificial reservoir & river flow measurement & rain water harvesting	Artificial reservoir potentiality study & rain water harvesting . Ground water & rain water assessment .
158	2006	Ambuja Eastern Ltd. Raipur (Chattisgarh)	Estimation of ground water reserves , construction of water wells , dewatering plan for any nth year	Dewatering studies for mine planning , ground water assessment for environmental clearance from MOEF
159	2006	Larson & Toubro Kansbahal , Rouarkella (Orissa)	Rainwater harvesting & evaluating of ground water movement & solution for water logging problem around Fabrication shop .	Solution for water logging problem . Rainwater harvesting & ground water reserves estimation &
160	2006	Prism cement, Satna (M.P.)	Feasibility for artificial reservoir based on catchment runoff and its design as per on intake water quantification & effects of blasting	Water conservation & artificial reservoir potentiality & effect of blasting studies
161	2006	Gupta energy Ltd. , Chanderpur (Maharashtra)	Study of river potentiality for long term . Water availability & design of artificial reservoir	River potentiality study
162	2006	Coca-cola Beverages Ltd. Udaipur (Raj)	Water shed & water risk assessment studies	Water risk assessment studies of micro water shed of proposed source of water
163	2006	Impact Garden , Amritsar (Punjab)	Strom water management studies & rain water harvesting	Strom water management
164	2006	Dhanuka Labs. , Kotputali (Raj)	Remote sensing studies for water potentiality & hydrogeological survey	Satellite imagery studies & selection of feasible sites for tubewells.
165	2006	Vatika Hotels & city at Gurgaon , & Vatika Infotech at Jaipur	Ground water reserves estimation , Rainwater harvesting & storm water management studies	Storm water management and ground water feasibility along with rain water harvesting
166	2006	Vardhman Industries Ltd., Jamshedpur, Jharkand	Intake well investigation at River with 10 kms pipe line route to factory and Rainwater Harvesting studies.	Feasibility of intake well from stream/River for meeting out factory needs.
167	2006	Hero Honda Motors Ltd. Kukas (Jaipur) & Neemrana (Alwar) project	Hydrogeological Survey & Rainwater Harvesting for	Ground water reserves estimations & Rainwater Harvesting studies.

			proposed Automobile plant.	
168	2006	SAB Miller (Roche Breweries Ltd. , Neemrana (Alwar), Daruheda and Sonapat (Haryana) project	Water Risk Assessment studies and impact on ground water environment	Micro watershed studies to ascertain impact on ground water regime in and around the plants & safe water extraction levels.
169	2006	Satyam Power Limited, Gangapur city and Digod ,Kota Rajasthan (two project)	Sub-surface water feasibility and foundation studies through ground water	Load bearing capacity of soil & Rainwater Harvesting and ground water feasibility studies
170	2006	South Asia Breweries Ltd. Alwar	Ground water Resources investigation in long term & Aquifer Performance Test for long term water reserves.	Water sustainability studies in long term & Rainwater Harvesting Plan & feasibility of recycling industrial waste water.
171	2006	Vatika Technology Park Faridabad	Ground water availability in long term & Rainwater Harvesting Scope	Safe ground water exploitation plan with Rainwater Harvesting design and implementation
172	2006	Silver Realities & Infrastructure Pvt. Ltd., Indore	Ground water utilization studies with drainage flow analysis	Exportation of ground water in long term & nalah flow HFL studies to accommodate rainfall runoff & rainwater harvesting studies.
173	2006	Otsuka Chemical Ltd. Kotputli	Scientific construction of deep tubewells based on geophysical studies	Deep combination long term efficient tubewells based on Aquifer Performance Test & hydraulic parameters.
174	2006	Ansal Colonizers & Developers , Bikaner & Ajmer project.	Sub surface water availability	Ground water availability & water resources evaluation & selection of feasible tubewell sites.
175	2006	Rukmini Power & Steel Ltd. Raigarh (Chattisgarh)	Surface & subsurface water potentiality studies	Artificial Reservoir and Ground Water studies with mathematical modeling on post and pre monsoon water reserves estimates
176	2006	Bharat Box Factory Ltd., Jammu	Water extraction under safe limits	Scientific Water studies on utilization of ground water & feasible sites for tubewell in bouldery beds
177	2006	Rotary International	Road Storm Water Harvesting project , Jaipur	Installation of 14 road side storm water harvesting structures.
178	2007	Escorts Constructions Equipment Ltd.,Vallabgarh Haryana	Ground water feasibility & Rain Water Harvesting studies	Water resources evaluation and scope of Rainwater Harvesting with mathematical modeling on ground water reserves for any nth year.
179	2007	Hero Honda Motors Limited Haridwar	Ground water resources evaluated and Rainwater Harvesting	Ground water survey & Rainwater Harvesting
180	2007	Hotel Rajgarh Palace, Khaujroho	Water Resources Evaluation	Ground water & Rainwater Harvesting

181	2007	Shree Cement Ltd.,RAS	Creation of Artificial reserves studies.	Hydrogeological and Geoelectric survey near village Ballupura, RAS dist. Pali
182	2006	Shree Cement Ltd.,Beawar	Creation of Artificial reserves studies.	Surface runoff harvesting & feasibility of artificial Reservoir studies.
183	2007	Satyam Power Project, Digod Kota, Sawai madhopur and Nagoaur	Artificial Recharge Studies	Artificial recharge proposal studies for permission from CGWA for water extraction, construction of tubewells and evaluation of ground water reserves and potential.
184	2007	Speciality Silica Pvt.Ltd., Alwar	Artificial Recharge Studies Soil studies and Water Resources evaluation studies.	Surface water recharge proposal to CGWA for water abstraction permission
185	2007	Ansal Properties & Infrastructure Ltd., Jodhpur	Water Resources Evaluation studies	Ground water reserves estimation & Rainwater Harvesting studies.
186	2007	Sathyam Power Pvt. Ltd. Digod, Kota, Sawai Madhopur and Nagoaur	Hydrogeological Survey & Rainwater Harvesting studies for proposed power plant.	Toposurvey ground water reserves & potential estimates, soil investigation & Rainwater Harvesting studies.
187	2007	Hotel Ashoka, RTDC Jaipur	Feasibility of tubewells sites .	Hydrogeological survey for selection of tubewells sites
188	2007	Kolkatta Hotel Limited, Kolkatta	Ground Water potential studies and reserves estimation	Scientific investigation for ground water resources & Rainwater Harnessing design.
189	2007	Aryavrat Housing construction Pvt. Ltd. Bhopal	Ground Water Resources and estimation	Hydrogeological potential for ground water development
190	2007	REDFOX HOTEL, Jaipur	Hydrogeological survey for ground water reserves	Selection of feasible tubewells sites for required quantity for long term.
191	2007	SABMILLER INDIA LIMITED Sonapat, Haryana	Water Risk Assessment studies of micro shed	Water Risk Assessment Studies for microshed covering sabmiller plant.
192	2007	Birla Cheritable Trust,,Kanak Vrandavan and Birla Mandir Jaipur	Rainwater Harvesting studies	Design of Rainwater Harvesting structure for Rooftop and surface runoff
193	2007	Deewan Breweries, Alwar (Rajasthan)	Artificial recharge studies	Recharge proposal ,survey and report preparation for approval form CGWA
194	2007	Vatika Infotech Jaipur	Construction of Scientific Tubewell & optimum yield test studies and plate load test.	Ground Water Development work on scientific lines & recharge proposal report for permission from CGWA and Plate Load Studies for foundation.

195	2007	Dharampal Satyapal Limited DS Group Noida (U.P.) and Guwahati (Assam)	Ground water Reserves estimation for long term.	Ground water potential studies for required quantity in long term.
196	2007	EIH Limited, Jaisalmer (Hotel Rajvilas Palace,)	Ground water Reserves estimation for long term.	Ground water potential studies for required quantity in long term.
197	2007	Grassfield Fire ;Capital Developers Pvt.Ltd. Mahla, Jaipur	Ground water Reserves estimation for long term.	Ground water potential studies for required quantity in long term.
198	2007	Unitech Real Estate, Hydrabad	Ground water Reserves estimation for long term. and Rainwater Harvesting studies	Ground water potential studies for required quantity in long term and Rainwater Harvesting design studies .
199	2007	DLF Recreation Foundation, Gurgaon, Haryana	Ground water Reserves estimation for long term. and Rainwater Harvesting studies	Ground water potential studies for required quantity in long term and Rainwater Harvesting design studies .
200	2007	Theme Engineering Services Bisalpur, Jaipur	Soil Resistivity test	For foundation studies.
201	2007	Herohonda Motors Ltd. Daruhera, Haryana	Recharge studies and Rainwater Harvesting structure designed.	Rainwater Harvesting designs for rooftop and surface runoff.
202	2007	Lords Chloro Alkalies Ltd.	Ground water Reserves estimation & construction of tubewells.	Ground water potential studies & scientific designs & installation of deep tubewells.
203	2007	J.R.Recreation Club & Resorts , Sitapura, Jaipur	Ground water reserves estimation & selection of feasible tubewell sites	Hydrogeological investigation for long term water availability
204	2008	Herohonda Motors Ltd. SIDCUL, Haridwar	Rainwater Harvesting studies and Artificial reservoir studies.	Designs of Rainwater Harvesting and reservoir construction for surface runoff recharge to ground water
205	2008	Glaxo Smith Cline Ltd., Nabha Punjab	Waste Water Recharge studies	Artificial recharge designs for waste water recharge to ground water
206	2008	Finetech Township Limited Jaipur	Ground water reserves evaluation and potential studies.	Selection of feasible tubewell sites for long term water extraction in required quantity.
207	2008	Sabmiller India Limited, Bhuvneshar (Orissa) and Mysore (Karnataka)	Surface Water Potential studies through micro water shed and portion of stream and ground water reserves	Design of intake well from surface water for proposed plant and ground water potential survey for water risk assessment.

			estimation .	
208	2008	BLA Power Industries	Surface Water Potential & study for availability of water in long term from portion of Narmada River	Water availability studies in required quantity from Narmada River water source on sustainable basis.
209	2008	KGK Infrastructure Ltd., Jaipur	Ground Water Resources	Ground water availability based on water resources estimation in long term.
210	2008	Pink City Sports Complex, Jaipur	Remote Sensing & Ground Water studies based on A.P.T. etc.	Long term assessment of ground water reserves mathematical modeling, A.P.T. etc.(5 nos)
211	2008	Herohonda, Motors Limited Haridwar	Construction of Artificial Recharge reservoir and installation of Rainwater Harvesting systems.	Ground water recharge through artificial lake, Rainwater-Storm Water harvesting structures installation
212	2008	Herohonda Motors Limited, Daruhera	Installation of storm water & Roof top rainwater harvesting structures	Ground water recharge from Rooftop & storm water runoff.
213	2008	Sabmiller, Krishna District, Andhra Pradesh	Krishna River potentiality studies for surface water availability in river	Surface water studies for long term water availability and total life of available water
214	2008	Phoenix Solar India Ltd, Noida	Ground water potential studies	Mathematical modeling for long term ground water reserves.
215	2008	Indian Oil Corp. Ltd.Mathura	Radial well studies & its augmentation	Yamuna River water availability and measures for yield enhancement.
216	2008	MMTC Guragaon	Ground water reserves estimation & rainwater harvesting	Ground water availability in long term & Rainwater Harvesting studies.
217	2008	Carrier Air-conditioning and Refrigerator Ltd.,Gurgaon	Rainwater Harvesting studies.	Installation of Rainwater Harvesting structures.
218	2008	Milestone Buildspace Pvt.Ltd Nagpur	Long term ground water availability studies, Rainwater Harvesting & Artificial recharge reservoir development.	Ground water availability in long term Augmentation of ground water reserves through artificial lake and rainwater harvesting system.
219	2008	Milestone Dwellers Pvt Ltd, Jaipur	Ground water reserves evaluation	Ground water availability in long term
221	2008	Assotech CP Infrastructure Ltd. Gwalior	Ground water studies and construction of deep tubewell	Micro watershed studies & evaluation of reserves and mathematical modeling for life of reserves.

222	2008	Nissin Brake India Limited, Gurgaon	Recharge proposal for CGWA approval	Recharge test , existing pond studies for recharge potential along with rooftop, road/ paved area rainwater harvesting
223	2008	Mitsui Prime Advance composites India Ltd., Gurgaon	Recharge proposal for CGWA approval	Recharge test , existing pond studies for recharge potential along with rooftop, road/ paved area rainwater harvesting
224	2008	Sathyam Power Ltd.Mumbai for Kota, Metra, Sawaimadhopur (3 projects)	Recharge proposal for CGWA approval	Recharge test , existing pond studies for recharge potential.
225	2008	Dalmia Cement Ltd, Dalmiapuram	De-watering studies of PTK mines	Draw down predictions based on long duration aquifer performance test for safe mining..
226	2008	Shiva Cement Limited, Orissa	Limestone deposit assessment studies	Preliminary reserves estimation using geoelectric survey in 1000 acre mining lease area
227	2008	Birla Cement Limited, Trichi	Limestone deposit assessment	Preliminary reserves estimation using geoelectric survey.
228	2008	Ambuja Cements Limited, Ambuja	Salinity ingress ion studies in 30 lime km radius, area & its impact on ground water regime.	Comparative salinity ingress ion impact with respect to 2001-2005 saline –fresh water interface near Arabian sea.
229	2008	Fiat Automobiles Ltd., Pune	Ground water potential studies.	Micro water shed studies for total ground water reserves evaluation.
230	2008	Reliance Cementation Pvt.Ltd. Satna	Ground water availability & Artificial recharge studies.	Detailed ground water feasibility & artificial recharge proposal for CGWA approval.
231	2008	Bhilai Steel Plant , Durg	Rainwater Harvesting and waste water recharge studies	Comprehensive Artificial Recharge studies for entire Bhilai Township.
232	2008	T.P.R.Autoparts Manufacturing India Pvt. Ltd Gurgaon	Recharge proposal for CGWA approval	Recharge test , existing pond studies for recharge potential as per CGWA requirement.
233	2008	Nunlet Projects Pvt. Ltd. Nagpur	Ground Water Resources, Evaluation & recharge studies	Micro watershed studies & evaluation of reserves and mathematical modeling for life of reserves and rainwater Harvesting scope.
234	2008	J.R .Recreation Clubs and Resorts Ltd. Sitapura, Jaipur	Recharge proposal for CGWA approval	Recharge test , existing pond studies for recharge potential
235	2008	Vikram Cement , Neemuch, M.P.	Remote sensing studies for mine planning	Satellite data imagery studies & monitoring well program for Mine I & II
236	2009	Cairn Energy PTY Ltd. ,Rajasthan basin, Barmer	Hydrogeological ,Geoelectric and Aquifer Performance Test	Ground water Resources Evaluation studies, Jamnagar, Gujarat

237	2009	Diamler Hero Honda Commercial Vehicle Ltd., Chennai	Hydrologic and hydrogeological studies	Recommendations of water flow from adjoining lake during peak rainfall and its remedial measures.
238	2009	Shivnadar University, Noida	Hydrologic and hydrogeological studies	Recommendations for boundary wall to prevent water seepage from storm water collection at peak rainfall.
239	2009	Sathyam Power Pvt. Ltd.	Soil foundation studies	Drilling for lithology , SPT and soil sample analysis and safe load bearing capacity
240	2009	Speciality silical Pvt. Ltd.	Water conservation and Artificial recharge	Capacity enhancement of existing water bodies and installation of percolation structures.
241	2009	Cairn Energy India Pty Ltd. Bhoghat,	Geophysical survey and test drilling of 200 mtrs depth.	To study water availability in deeper aquifers
242	2009	Shree Laxmi Ballabh Parshwanath Trust, Bhinmal	Hydrological Geophysical survey	Recommendations of feasible tubewells for long term water availability.
243	2010	Nestle India Limited, Moga, Himachal Pradesh	Water level monitoring and waste water re-use.	Water Resources investigation and waste water re-use opportunities
244	2010	Gurdian Water Resources , Rohru, Himachal Pradesh	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
245	2010	Intas Pharmaceutical Limited, Gujarat (IPL-1, Village Matoda, Sanand)	Ground Water availability and Recharge proposal.	For obtaining NOC from CGWA for ground water extraction.
246	2010	DLF commercial complex, Gurgaon	Water Resources Evaluation	Total Water Reserves and Water extraction plan
247	2010	National Institute of Ayurveda, Jamdoli, Jaipur	Selection of feasible tubewell site	Geophysical hydrogeological survey
248	2010	Mayur Uniquoters Limited, Jaipur	Recharge studies and tubewell site selection	Ground water availability & Rainwater Harvesting
249	2010	Bhavnagar Biomass Power Plant Gujarat	Recharge proposal for CGWA permission	CGWA permission for ground water extraction.
250	2010	Essar Oil Limited, Gujarat	Detailed Rainwater Harvesting studies	Scope of Artificial Recharge.
251	2010	Dishman Pharmaceutical Limited, Kutch, Gujarat	Ground water availability & Recharge studies	Permission from CGWA for ground water withdrawal.
252	2010	Shree Renuka Sugars Ltd. Kandla, Gujarat	Ground Water availability in deeper aquifers & scope of Artificial recharge	Permission from CGWA for ground water extraction
253	2010	Balkrishna Tyres Industries Bhiwadi	Geophysical survey and tube well installation	Deep suitable tubewell installation

254	2010	ACC Cement Limited	Under water survey of Dam site	Dam site physiographic and under water profiling
255	2010	Mayur Uniquoters Limited, Jaipur, Rajasthan	Rainwater Harvesting studies and execution	Scope of Artificial Recharge
256	2010	Dalmia Solar Power Limited, village BAP in District Jodhpur, Rajasthan	Hydrogeological & Geophysical survey and Recharge studies	Feasible test well sites sustainable in long term with drilling methodologies and permission from CGWA for ground water extraction.
257	2010	EQMS India Pvt. Ltd., Village Tapukrah Block-Tijara, Alwar District, Rajasthan	Recharge proposal for CGWA permission	CGWA permission for ground water extraction.
258	2010	Concord Biotech Limited, Ahmedabad	Recharge proposal for CGWA permission	CGWA permission for ground water extraction.
259	2010	Millennium Beer Industries Ltd. Dharuhera, Haryana	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
260	2010	Barmalt (India) Private Limited Manda Industrial Area Jaipur	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
261	2010	Hero Honda Motors Limited 37 K.M.Stone, Delhi-Jaipur Highway, Sector -33, Gurgaon (Haryana)	Rainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structures.
262	2010	MMTC –PAMP INDIA PVT.LTD. NEW DELHI	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
263	2010	Jaipur Rugs Co. Pvt. Ltd., Jaipur	Hydrogeological & Geophysical survey.	Feasible test well sites sustainable in long term with drilling methodologies
264	2010	Police Training School , Jhalawar	Hydrogeological & Geophysical survey	Feasible test well sites sustainable in long term with drilling methodologies
265	2010	Trident Hotel, Udaipur	Rainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structure.
266	2010	Ambuja Cements Limited, Ambujanagar, Kodinar, Gujarat	Peizometric studies	Hydrogeological and ground water monitoring studies for installation of Peizometers
267	2010	Ambuja Cements Limited, RAS –I Rabariyawas, Pali Rajasthan	Ground Water Regime studies	Surface and Ground Water interaction as per MOEF guide lines.
268	2010	Ambuja Cements Limited, RAS –II Rabariyawas, Pali Rajasthan	Rainwater Harvesting studies and execution	Scope of Artificial Recharge
269	2010	HPCL Bahadurgarh, Haryana	Storm Water Management and Water logging problem	Runoff – Recharge studies to deeper aquifer for storm water management

270	2010	Sapoorji Pallonji Energy (Gujarat) Pvt.Ltd. (Power Plant)	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
271	2010	M/S PALM Apartment South City, Phase-I Gurgaon	Rainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structure.
272	2010	Simar Port Private Limited, Kodinar, Dist. Jamnagar, Gujarat	Ground Water studies and Recharge studies	For CGWA permission for Ground Water extraction.
273	2010	Sapoorji Pallonji Energy (Gujarat) Pvt.Ltd. (Township)	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
273	2010	Sai Maryada Agro , Ratangarh, Churu	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
274	2010	Intas Pharmaceutical Limited, Gujarat (IPL-2, Village Matoda, Sanand)	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
275	2010	DLF Commercial complexe Ltd.(SBM complex) New Delhi	Water Resources Evaluation	Total Water Reserves and Water extraction plan
276	2010	DLF Commercial complexe Ltd.(SIEL complex) New Delhi	Water Resources Evaluation	Total Water Reserves and Water extraction plan
277	2010	Surya Chambal Power Limited, Village Farera, Pipalda District, Kota , Rajasthan	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
278	2010	Surya Chambal Power Limited, Village Farera, Pipalda District, Kota , Rajasthan	APT	For assessing Aquifer Parameters
279	2010	Mayur Uniquoters Limited, Jaitpura,Jaipur, Rajasthan	Ground water detection & reserves estimation & mathematical modeling	Ground water assessment & Mathematical modeling
280	2010	Devans Modern Breweries Ltd, Kotputli District Jaipur, Rajasthan	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
281	2010	EQMS India Pvt. Ltd., Village SKF Technologies Ltd., Bavla, Ahmedabad	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
282	2010	Dalmia Solar Power Limited, village BAP in District Jodhpur, Rajasthan	Ground Water status and Recharge studies	For CGWA permission for Ground Water extraction.
283	2010	Theme Engineering Servicing Pvt. Ltd.Ramgarh, Jaisalmer, Rajasthan	Soil Resistivity Test.	For assessing foundation strength.
284	2010	Kalptaru Power Transmission Limited, Uniara and Padampur, Rajasthan	Ground water detection & reserves estimation & mathematical modeling	Ground water assessment & Mathematical modeling

285	2011	Rajasthan Syntex limited, Dungarpur, Rajasthan	CGWB compliance Report Preparation	Renewal of Ground Water Extraction
286	2011	Trident Hotel, Jaipur	Rainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structure.
287	2011	Trident Hotel , Udaipur	Rainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structure.
288	2011	Trident Hotel, Agra	Rainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structure.
289	2011	Jain Solar Energy Pvt.Ltd., Bawal, Haryana	Hydrogeological investigation at Bawal	Ground Water Assessment
290	2011	Francolin Infrastructure Pvt. Ltd. Jalandhar	Ground Water availability and Recharge studies	For CGWA permission for Ground Water extraction.
291	2011	HPCL Bahadurgarh, Haryana	Storm Water Management and Water logging problem	Runoff – Recharge studies to deeper aquifer for storm water management
292	2011	TPR Autoparts MFG.India Pvt. Ltd. Neemrana, Alwar , Rajasthan	CGWB compliance Report Preparation	Renewal of Ground Water Extraction
293	2011	Jaipur Engineering College and Research Centre, Jaipur	Ground Water Investigation	For CGWA permission for Ground Water extraction.
294	2011	Tata Vendor Park, Ahmedabad	Peizometric studies	Assessment of Peizometric locations
295	2011	Surya Bio Energy Pvt. Ltd.	CGWA NOC	For CGWA permission for Ground Water extraction.
296	2011	HPCL Bahadurgarh, Haryana	Storm Water Management and Water logging problem	Runoff – Recharge studies to deeper aquifer for storm water management
297	2011	Varun Beverages Limited, Gurgaon	CGWA NOC	For CGWA permission for Ground Water extraction.
298	2011	Oberoi Amarvilas, Agra	SRainwater Harvesting	Recharge test & hydrogeological studies for design of RWH structure.
299	2011	SKS Power Generation Ltd. Chhittigarh	River water availability and Rainwater sources study	Water source sustainability study for long term.
300	2011	HPCL Bahadurgarh, Haryana	Storm Water Management and Water logging problem	Runoff – Recharge studies to deeper aquifer for storm water management
301	2011	M3M India Limited, Gurgaon Haryana	Ground Water Investigation & Rainwater Harvesting	Ground water assessment and ground water resource evaluation.

302	2011	SKS Ispat & Power Ltd. (3 projects) Chhindwara ,M.P., Bilaspur and Chhittisgarh	Water availability study and NOC from CGWA	Ground water assessment and Rainwater harvesting study for CGWA clearance
303	2011	Modern Insulator Limited, Aburoad , Rajasthan	Rainwater harvesting	Recharge test & hydrogeological studies for design of RWH structure.
304	2011	Cairn Energy India Pty Ltd. Barmer	Drainage solution from well pad and management of Rainwater	Feasible solution of drainage from well pad No. 10 in Mangla well field & management of rain water in Barmer area, Rajasthan
305	2011	Ultrateach Birla White Cement Ltd., Jodhpur	Geophysical investigation for ground water potentiality	Selection of feasible sites for better quality ground water
306	2011	Diamond Sanjeevani Project Pvt. Ltd. Alwar , Rajasthan	Hydrogeological and geophysical study	Ground water potentiality & selection of feasible sites for tube wells
307	2011	H.C.L. Limited, (Vidhya Gyan School, Dulhera U.P.)	Hydrogeological study for solution of water logging	Surface water _ Rainwater runoff studies for discharge of excess water.
308	2011	E.Q.M.S. India Pvt. Ltd. Nimbahera Chittorgarh, Rajasthan	Hydrogeological and Rainwater Harvesting study	CGWA and MOEF approval for ground water extraction.
309	2011	SKS Cement Limited, Rawanwara, North Block Coal Branch, M.P.	Hydrogeological and Rainwater Harvesting study	CGWA and MOEF approval for ground water extraction.
310	2011	HPCL Bahadurgarh, Haryana	Storm Water Management and Water logging problem	Runoff – Recharge studies to deeper aquifer for storm water management
311	2012	SKS Power Generation (M.P.) Chhindwara Plant, Dist. Chhittisgarh	Hydrogeological studies for water source sustainability studies	Sustainability of water source study as per MOEF guide lines
312	2012	E.Q.M.S. India Pvt. Ltd, Modipuram, Dist. Merrut	Hydrogeological and Rainwater Harvesting study	Sustainability of water source study as per MOEF guide lines
313	2012	Glaxo Smith Kline Consumer Healthcare Limited (GSK) Sonapat , Haryana	Hydrogeological and Rainwater Harvesting study	CGWA approval for ground water extraction
314	2012	Intas Pharmaceutical Ltd., Sanand, Ahmedabad	Hydrogeological and Rainwater Harvesting study	CGWA approval for ground water extraction
315	2012	Sambhar Salts Limited, Jaipur, Rajasthan	Hydrogeological and Rainwater Harvesting study for brine and fresh water resources from Sambhar lake at Nawa and Sambhar	CGWA approval for ground water extraction for brine and fresh water resources.
316	2012	E.Q.M.S. India Pvt. Ltd, Haldia, West Bengal	Hydrogeological studies for water source sustainability and Rainwater Harvesting studies	CGWA approval for ground water extraction

317	2012	ECOFIRST Service Pvt. Ltd. Mumbai (Jaipur Project)	Hydrogeological studies for water source sustainability and Rainwater Harvesting studies	CGWA approval for ground water extraction
318	2012	Gyaneshwari Enterprises (Masali Bazar) LTV, Dhalai, Tripura	Comprehensive Hydrogeological & Recharge proposal studies	CGWA approval for ground water extraction
319	2012	M/S. CALCOM CEMENT INDIA LIMITED, ASSAM UMRANGSHU, ASSAM	Surface water studies for Raw water source	River potentiality studies as sustainable source for long term
320	2012	ADVANCE INDIA PROJECTS LIMITED, GURGAON, HARYANA	Hydrogeological study for Township	Ground water sustainability study with Rainwater harvesting
321	2012	Jaguar Overseas Ltd. Bangui, Central Africa	Estimation of overburden for lime stone mine	Lime stone reserves study with overburden
322	2012	Dalmia Solar Power Ltd. BAP Dist. Jodhpur	Recharge studies for CGWA NOC for ground water extraction for solar thermal power plant Distt. Jodhpur in Rajasthan	CGWA approval for ground water extraction
323	2012	ESSAR OIL LIMITED Jamnagar	Hydrogeological and geoelectric investigation in Refinery area , Jamnagar including buffer zone of 10 km radius for impact on ground water due to refinery activities.	solution of salinity contamination in ground water from sea water reservoirs.
324	2013	M/S Perfect Circle India Ltd. Nasik (Maharashtra)	scientific studies on Chromium Contamination and Oil Contamination in groundwater at Satpur, Nasik	Selection of Chromium contamination problem in ground water
325	2013	Umad Bhawan Palace , Jodhpur	Ground Water availability in and around Palace premises at Jodhpur	Selection of feasible tube well
326	2013	Pasupati Acrylon Ltd, New Delhi	Ground water status & recharge studies for CGWA NOC for ground water extraction for 3400 cubic mtr per day in New Delhi	Rainwater Harvesting studies
327	2013	Ambuja Cement Limited, Jamnagar, Gujarat	Comprehensive Hydrogeological study to assess Ground Water scenario in Drought affected coastal area of Junagadh District	Impact of ground water measures on ground water

			Gujarat	
328	2013	Tata Motors Limited, Sanand, Gujarat	Peizometric and Rainwater Harvesting studies in Tata Motors Main Plant	Rainwater Harvesting and Peziometric studies as per Gujarat water pollution control board norms.
329	2013	Claris Lifescience Ltd., Ahmedabad	installation for New Recharge wells and Rainwater Harvesting structures in plant premises at village Vasna Chacharwadi, Taluka Sanand, District Ahmedabad, Gujarat.	Execution of Rainwater Harvesting system
330	2013	Essar Oil Ltd. VPCL area Jamnagar	Detectin of Seepage /leakage of sea water from cooling tower reservoir.	Impact assessment on ground water due to leakage of sea water from cooling tower in VPCL area as per Gujarat Water Pollution Control Board
331	2013	Shrishti Aquatech Ltd.,Bhopal	Hydrogeological reports in Jodhpur District	CGWB Compliance report
332	2013	Glaxosmith Consumer Healthcare Ltd. Sonapat	Topographic survey work for 90 acre land for construction of recharge reservoir for CGWA compliance ,Water level measurement and Peziometric study report and recharge proposal study at Sonapat ,	Rainwater Harvesting, CGWA approval for ground water extraction and Topographic survey for locating reservoirs for storm water management as part of compliance report for CGWA NOC.
333	2013	General Cables Energy India Pvt. LTd., Himachal Pradaesh	Ground Water availability and recharge measures Report for ground water extraction for Unit-I & Unit-II	Permission for HPGWA for ground water extraction in Himachal Pradesh for Unit I and II at Baddi , Himachal Pradesh
334	2013	General Cables Energy India Pvt. LTd., Himachal Pradaesh	Ground Water availability and recharge measures Report for ground water extraction for Unit-I & Unit-II	Permission for HPGWA for ground water extraction in Himachal Pradesh for Unit I and II at Baddi , Himachal Pradesh
335	2013	PTK Architect ,Chennai	Hydrogeological survey at Gurgaon in 14 acre land including Micro water shed area	Ground water resources evaluation I studies of controlling micro shed of project site near Sohna , Gurgaon.
336	2013	Piramal Foundation Educare Ltd., Mumbai	Hydrogeological Assessment Studies for ground water potential for proposed Training Institute at Bagar, Jhunjhunu	Selection of feasible tubewell site in Bagar, Jhunjhunu (Rajasthan)

337	2013	Infosys Limited, Indore	Hydrological Survey for Indore Campus .	Ground water resources status studies of Infosys , Indore campus including aquifer mapping through selected drilling on pre determined points
338	2013	B.G.R. Energy System Ltd.	Rainwater Harvesting Studies in r Kali Sindh project.	Rainwater Harvesting Engineering Drawings of recharge reservoirs in Kalisindh River Thermal Power Plant.
339	2013	M/S Renaissance Buildhome Pvt. Ltd.(Asha Deep Group)	Water availability and Recharge Proposal at Bhiwadi, District Alwar, Rajasthan	Permission for CGWA for ground water extraction.
340	2013	Mikuni India Pvt. Ltd. Neemrana, Alwar, Rajasthan	Ground Water availability and Rainwater harvesting studies for water expansion & WRD permission for your expansion at Neemrana, district Alwar, Rajasthan.	CGWA approval for ground water extraction
341	2013	E.L.Services, Gurgaon, Haryana	Ground Water availability and Rainwater harvesting studies for water expansion & WRD permission for your expansion at Neemrana, district Alwar, Rajasthan.	CGWA approval for ground water extraction
342	2013	Binani Cements Limited, Nagaur	Groundwater Study, and Ground water availability and preparation of Recharge proposal for NOC from CGWA	Water resources evaluation studies and CGWA approval for ground water extraction.
343	2013	Kajaria Ceramics Ltd., Alwar and Viratnagar	Ground water availability studies at 80 acres land near Gulabpura on Jaipur Udaipur highway, District Bhilwara, & Viratnagar, Jaipur Rajasthan. /td>	Selection of suitable land based on ground water availability as apprehended from water resources evaluation and future projections as per mathematical modeling
344	2013	Coca-Cola India Limited	Installation of Water level recorder on Peizometer .	Peizometric studies for location peizometer with scientific design and installation of automatic water level recorder.
345	2013	Agrow Allied Ventures Pvt. Ltd.Keshwana, Kotputli, Rajasthan	Ground Water availability and CGWB permission from WRD and CGWA	Issuance of NOC from Water Resources Department , GOvt. of Rajasthan and CGWA for permission for extraction of ground water.

346	2013	Tata Motors Ltd. Sanand Gujarat	Hydraulic adequacy of soil for treated water disposal.	Infiltration & other studies for Hydraulic adequacy of soil for affluent water.
347	2013	Ambuja Cement Limited, Lodhva mines, Gujarat	Hydrogeological studies in and around Lodhva mines, Saurashtra region , Kodinar Taluka , Junagadh district , Gujarat.	Hydrogeological and Rainwater Harvesting studies and impact on ground water through mining activities at Lodhva for MOEF
348	2013	General Cable Energy Ltd. Baddi ,(Himachal Pradesh)	Hydrogeological Studies in factory premises at Baddi (H.P.)	Permission from Himachal Pradesh ground water authorities for ground water use.
349	2013	Kribho Shyam Fertilizers Ltd. (KSFL) Shahjahanpur	Hydrogeological studies in factory premises	Clearance from MOEF for Hydrogeologic issues
350	2013	Reliance Cement Pvt. Ltd. Nagaur Dist, Rajasthan	Geoelectric studies for delineation of potential lime stone deposits.	Delineation of lime stone based on Geoelectric studies
351	2013	Kajaria Ceramics Ltd., Tijara , Alwar CGWB permission	Ground water availability & recharge potential studies.	CGWA permission for ground water extraction.
351	2013	Ground Water Department, Govt. of Rajasthan.	Storm Water Management studies through Artificial Recharge on Jaipur-Tonk Highway in 70 km str..... in 500 mtr corridor on both sides of highway	Consultancy for feasibility of storm water recharge to existing ponds /dug wells and new structures along road side through generated rainfall runoff on NH 12 road between Jaipur and Tonk in 70 km stretch.
352	2014	Al Zain Poultry Farm LLC MuscatSultanate of Oman	Delination of ground water potential zone around 2000 m3/day in 10 sq.km area	Ground water Resources evaluation based on hydrogeologic and Geoelectric studies for ground water extraction of 2000 m3/day in 10 sq.km area
353	2014	RNB Group, Bikaner, Raj	SHydrogeological studies for selection of tubewell sites.	Geoelectric studies for feasible tubewell site selection
354	2014	GLAXOSMITHKLINE CONSUMER HEALTHCARE LIMITED, Nabha (Punjab) Rajahmundry (Tamilnadu) and Sonapat (Haryana )	Aquifer distribution studies with respectto ground water recharge	Ground water aquifer distribution and recharge impact.
355	2014	Varun Breweries, Gurgaon Haryana	Hydrogeological studies for selection of tubewell sites and ground water recharge	Hydrogeological investigation for ground water availabilities & design of Recharge studies.
356	2014	M/S GreenTech Mega Food Park Pvt. Ltd, Gram Panchyat – Roopangarh,Block – Silora, District – Ajmer, Rajasthan	Ground Water availability and Rainwater harvesting studies & filing the report for obtaining permission for ground	CGWA permission for ground water extraction.

			water for proposed Food park for .70 MLD from WRD followed by CGWA for ground water utilization	
357	2014	Essar Oil Limited, Jamnagar, Gujarrat	Geoelectric investigation by sophisticated digital resistivity monitors on identified spots to delineate saturated thickness, extent of Seepage/Leakage for each mtr up to 10 mtr depth	Subsurface saline water leakage /seepage detection studies.
358	2014	Carl's berg India Pvt. Ltd. , Alwar Rajasthan	Compliance report for CGWA permission renewal for extraction of ground water in your plant premises	Renewal of CGWA NOC for ground water extraction.
359	2015	Dr. Oetker India Private Limited, New Delhi-	Compliance report on ground water availability and recharge proposal	CGWA permission for ground water extraction.
360	2015	M/S Kai Manufacturing India Pvt. Ltd Neemrana	Compliance report on ground water availability and recharge proposal	CGWA permission for ground water extraction.
361	2015	Claris Lifesciences Limited Ahmedabad, Gujarat	installation of Rainwater harvesting studies	Compliance of CGWA NOC
362	2015	EIH Associated Hotels Limited Jaipur	Ground water exploration	Selection of sites for feasible tubewells
363	2015	Renaissance Buildhome Pvt. Ltd. jaipur, Rajasthan	Ground water exploration	Selection of sites for feasible tubewells
364	2015	M/S G.D.Food MFG (India) Pvt. Ltd. Neemrana	Compliance report for CGWA permission	Renewal of CGWA permission for ground water
365	2015	Dhanuka lab	SComprehensive report on ground water availability and recharge proposal	Permission of Water Resources Department, Govt. of Rajasthan & CGWA, Govt. of India for ground water extrationl.
366	2015	Ground Water Department, Govt. of Rajasthan.	Storm Water Management studies through Artificial Recharge on Jaipur-Tonk Highway in 70 km str..... in 500 mtr corridor on both sides of highway	Permission of Water Resources Department, Govt. of Rajasthan & CGWA, Govt. of India for ground water extrationl.
367	2015	G.S.K. Sonipat , Keshwana Rajpoot, Kotputli , Jaipur	Water Risk Assessment studies	Ground water availability puroduction for long term use & water positive Industry
